When you need health care

Choose Any Doctor or Hospital

As a Level Funded Advantage plan member, you can see any doctor you choose! There's no required provider network or penalties.

Show your ID card

Show your Level Funded Advantage ID card at the time of service which will direct the provider how to file your Allied National claim. If the provider has concerns, have them call the Elite Experience line.

What to do if you receive a bill

If you receive a bill for an amount greater than your expected member responsibility, our Elite Experience team is here to help.

What do I owe?

Your only out-of-pocket expenses are co-pays, deductibles and co-insurance. After you receive care, you will receive an Explanation of Benefits (EOB) that outlines your member responsibility.

Pay Your Share

When you receive a bill, make payment or payment arrangements for your responsibility with the provider as indicated on the EOB.

What if the bill exceeds my member responsibility?

Please call the Elite Experience team at 800-714-3432 (press 1 press 9) or send a copy of the bill to elite@alliednational.com. You are only responsible for the member responsibility listed on the EOB.
